

Organisation	Project outline
Community Service Volunteers (CSV)	Engage with economically inactive people of 50 years + in volunteering opportunities in disadvantaged communities within Rhondda Cynon Taf and Bridgend. Participant will be offered a programme of tailored support to develop skills and confidence and encourage further learning. They will promote monitored progression through volunteering to employment or continued personal development.
Elite SEA Ltd	The project will enable individuals with learning difficulties, living within Bridgend County, aged 16-64, to engage in travel training opportunities by utilising a tailored approach of one to one training/support in their pathway to employment. The project also enlightens individuals of local community via structured training, building confidence, self-esteem and aspirations.
