## Welcome to BAVO Jan!

We are delighted to welcome Jan Thickpenny to BAVO as our new Development Officer. Jan is joining our existing Development Officer Deb Evans to provide BAVO members with expert advice for community and voluntary groups and projects in Bridgend County Borough.

Our officers provide ongoing support and guidance to Trustees including drafting and amending governing documents, charity and company registration, developing policies and procedures (e.g. safeguarding children and vulnerable adults, equalities and diversity, health and safety), together with tailored support to groups in their development of both capital and revenue funding bids.

Deb and Jan offer guidance with developing grant applications and receive and respond to enquiries regarding funding and offer follow-on support.

Managing community and voluntary groups isn't always easy. You're creative, enthusiastic and have a great vision. You may be working on a shoestring with voluntary managers and don't have enough hours in the day.

If you sometimes wish you had an expert on hand to sort things out for you, contact BAVO by downloading and completing our [Development assessment form](#) and sending it back to BAVO.

**Receive FREE expert advice and support by becoming a member of BAVO!**

**If you are a voluntary group in Bridgend County Borough,**
