## **Integrated Care Fund (ICF): Children and young people Revenue Grant.**

### **AIM OF THE GRANTS SCHEME**

The ICF is a mechanism to support delivery of the requirements of the Social Services and Well-being (Wales) Act 2014 (the Act). The Act provides for regional partnership boards, locally Cwm Taf Morgannwg to bring together health, social services, the third sector and other partners to take forward the effective delivery of integrated services in Wales.

Work delivered under this scheme is required to focus on the ICF objectives, in particular prevention and early intervention to reduce the needs of individuals to access higher tier services and support them to remain independent.

Proposals are aligned with the care and support needs identified in the local and regional Population Assessment and Associated Area Plan.

### **PRIORITIES:**

The Scheme is purposely set up for social value, voluntary and community organisations based and/or working in the Bridgend County Borough area. The priorities for this fund are targeted at supporting distinct beneficiary groups as outlined below:
