Data Protection (GDPR) Act 2018.

The information given will be entered and processed by BAVO, application forms will also be kept. The information will be used by BAVO for administration purposes of the grant scheme and for the monitoring and promotion of the voluntary sector. Personal data is limited to contact names, position, address, telephone and other contact numbers, organisation and project; it may be considered as sensitive personal data where the organisation/project is involved with matters relating to equalities: race, ethnic origins, politics, religions or beliefs, physical, mental health or other protected characteristics, but BAVO would only receive anonymised data in that respect.

All of the information you provide us with will be held on our IT system. This information will be used on a legal basis for the administration of applications and grants, for producing statistics and for audit purposes and reporting as a compliance requirement of BAVO distributing public funding on behalf of Welsh Government or others. Copies of this information will be provided, when necessary to individuals and organisations that BAVO consults with when assessing applications and grants, and when reporting to originating funders.

Contact details will only be disclosed to third parties for the following purposes: to enable BAVO to process your application; to enable BAVO and funders to monitor funding.

On a consent basis, your organisation's details may also be used to announce successful projects, and to promote the awarding grant bodies and the grant scheme generally via press releases and other bona fide promotional activities including placement on BAVO's website and other BAVO publications.

We, the above-named Organisation confirm that we have read the application guidelines and our application is an eligible project. We agree to the above use of data and confirm consent where required. We confirm to the best of our knowledge all replies given on this application form are true.
